NCDXF Press Release

NCDXF is pleased to announce a grant to the 3C2MD DXpedition to Bioko Island, Equatorial Guinea. The MDXC (Mediterraneo DX Club) DXpedition always does a great job with their DXpeditions with good operators and all modes/bands. They have a promotional video of this trip https://www.youtube.com/watch?v=gYbik_-DcLM and their website <https://www.mdxc.support/3c2md/>.

The mission of NCDXF is to provide necessary financial support for well-organized DXpeditions to desirable DXCC entities and to support advances in DXpeditioning skills, technology, and infrastructure. Those funds come from the contributions of our supporters in the DX community. Your contribution will help make DX happen. Visit our website: www.ncdxf.org.

Respectfully submitted.
